

SAM1057X - ANCHOR CPU HOLDER

WORKSPACE PRODUCTIVITY TOOLS

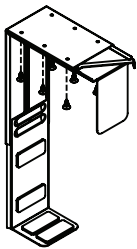

Weight Limit: 30kg

Warranty: 1yr

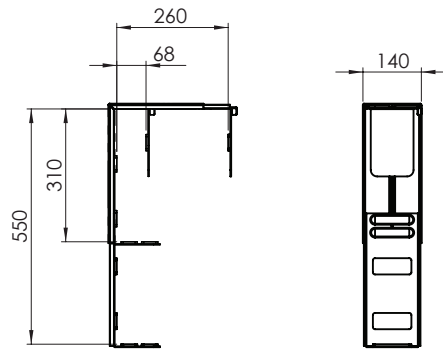

Environmental: Easy to disassemble, all aluminium and steel and parts have a VOC (Volatile Organic Compound) free finish and contain no solvents. Both metal and plastic elements can be recycled.

A CPU holder ensures you protect your storage investment while gaining back valuable desk space previously lost to a large CPU. This model attaches to the underside of the desktop and is adjustable.
